

We can sell your car from either our showroom or wherever you store it. We will work with you in evaluating the condition of your car and checking national resources to establish the amount you would receive upon the sale of your car. We take care of everything - advertising, qualifying, negotiating, arranging financing, transportation, paperwork and delivery.

We have clients actively looking to purchase specific classic cars. Listed here are some of the classic, muscle and performance cars currently sought after by our clients.
